New Patient Referral Program

THE GREATEST COMPLIMENT IS A REFERRAL

At Dougherty Dental Solutions, we have learned that the best new patient referrals come from YOU, our valued patients. Therefore, we would like to express our gratitude to you for your confidence that we will provide quality dental care to your family and friends. The Patient Referral Program is designed to reward our valued patients with great prizes. This is our way of saying “thank you” for your referral. The following is how the program works: Refer an extended family member, friend, co-worker, etc. to our practice by giving them a “Patient Referral Card” with your name on it. When they bring this card to their first initial appointment, we will enter your name into our drawing for quarterly prizes; including AirPods, fitness watches, and more! Every new patient is an entry, so be sure to pick up a few referral cards at the office to start handing out!
